

CUNNINGHAM-LIMP COMMUNITY

IMPACT PROJECT

Check Out How YOU
Can Be Involved

The Project

*Multi—sensory outdoor learning environment
that builds life and social skills.*

Who it Helps

Children with developmental disabilities.

How you can Help

*We're looking for trade partners who are interested in joining
us in supporting this community project through any
combination of donated or discounted supplies and services.*

Specific trades in need are:

- Site work
- Play Structure
- Landscape
- Asphalt
- Rubber Path
- Electrical
- Concrete
- Fencing

Why It's Important

*What LifeLab Kids is building does not exist today. This is a
center founded by parents of children with unique needs
who have dedicated their lives to this endeavor. Without
the support of community members, the project cannot
happen.*
